Note: In addition to the regular program, teachers of Vocational Agriculture have cooperated in the war effort by organizing and supervising classes under the National Defense Training Program for out-of-school Rural Youth and Adults through the Rural War Production Training and the Food Production War Training Program. This work was carried on during 1942-43 under provisions of Public Law 647, during 1943-44 under Public Law 135 and during 1944-45-46 efforts were diverted toward a reconversion program launched to help returning Veterans to become adjusted. Approximately 45 Veterans of World War II have returned to their jobs as agricultural teachers.
